

Subject Interagency Transfer Reports

Authors Klevorn

Analyst Matt Gehring

Date February 20, 2023

Summary

This bill repeals a section of statute that currently obligates agency heads to provide annual reports to the legislature on certain types of interagency agreements, and for appropriation transfers within or between agencies. The current law requires these reports if the cumulative value of the agreement or transfer exceeds \$100,000 in the previous fiscal year.

The reporting requirement was first enacted in 2017.
